

REQUIRED READING

ENTIRE BIBLE

Collegiate Training Compass:

Reading the Entire Bible

What: Each EDGE staff reads the entire Bible during their first year on campus

Why: For EDGERS to be immersed in the Scriptures: gaining a richer understanding of God's character and the Biblical narrative, developing their relationship with God and a humility in their life, and fostering a greater familiarity with the Bible so they can lead others from and into the Word. (2 Timothy 3:16-17).

Questions for your radar:

- What is their plan to read the whole Bible? How can I help?
- What will keep them motivated?
- How can I encourage this practice as a part of abiding in Christ?
- Is there a portion we can read together?
- How is their exposure to the Bible impacting their life? Their ministry?
