- Initiating new relationships with people who don't have a Christian faith.

### Section 3: Leading People to Christ

**Individual Needs:** Your individual needs are important to your trainer and we'd like to start the discussion. Our EDGE1 areas of emphasis are the following: Spiritual Disciplines, Evangelism, Work Ethic, TMS, and SHAW.

1. Describe two areas of strength from the areas addressed above that you would like to see grow stronger.
2. Describe two areas of improvement in your life that you would like help with and would like to put some intentional focus on.

**Questions you have:** Congratulations! You've made it to the end of the Progress Review. Use this space to write down any additional notes that you have for your campus director, supervisor, or trainer.
