

Collegiate: EDGE 2 End of Summer Progress Review

Instructions: Please write a few sentences (or bullet point statements) describing your experience with each of the following.

- Your level of encouragement regarding how you're doing personally and spiritually?
- Daily times spent connecting with the Lord through prayer and the Scriptures?
- Holding on to Scriptural passages or promises with a little tighter grip than normal?
- Who else has led/shepherded/impacted you this summer in significant ways? What specifically was helpful?
- Managing the challenges that arise while fundraising for your second year of EDGE?
- Are there students or groups of students that you were reaching out to and beginning to disciple last year that you have a heart and hope to continue with this year?

The following section captures a snapshot of how fundraising has been going. To the best of your ability please answer the following questions:

1. How many face-to-face appointments this summer?
2. What percentage of your budget have you currently raised?
3. How many people do you still need to follow up on?
4. What is the total number of recommendations you've received this summer?
5. How many people on your list do you still need to contact?

Preparing for Campus

1. As the Lord provides the funds and prepares you for campus ministry, what most excites you as you look ahead toward stepping onto campus?
2. With all of the excitement can also come a feeling of nervousness and even fear. What intimidates you about the thought of stepping onto campus?
3. The Navigator staff on your campus want to help you thrive as you prepare to carry out your new job. Clear communication and accurate understanding are keys to accomplishing this. What questions do you have about your ministry role and job responsibilities?
