Collegiate Training Compass:

Humility

What: SiT are growing in their understanding of God and are engaging with the importance of humility as followers of Jesus and leaders in The Navigators.

Why: Isaiah 66:2 "This is the one I esteem: he who is humble and contrite in spirit and trembles at my word." Humility is a mark of those who know Almighty God....and the grace of the Gospel....and the power of the Spirit.

Humility fosters teamwork, interdependence and can help bridge cultural differences. The humble can freely ask questions, own mistakes and receive input and critique. They show genuine interest and concern for others and people around them flourish....We long for a culture of humility among the Collegiate Navigators!

Questions for your radar:

- How is their understanding of God revealed through their actions?
- What is their prayer life like? How does it speak to their humility/dependence?
- Are they willing to own their mistakes?
- Do they have a high or low estimation of self? How does this reveal itself?
- How have I seen them affirm and lift-up those around them?
- Do they invite feedback? How do they receive feedback?
